Your Software Excellence Begins Here

[Get Started](#)

[View Products](#)

Software should be easy to develop, beautiful to use, and reliable by design. From everyday devices to essential systems, our technology is shaping the way we live, move, and connect.

BILLIONS OF DEVICES & APPLICATIONS

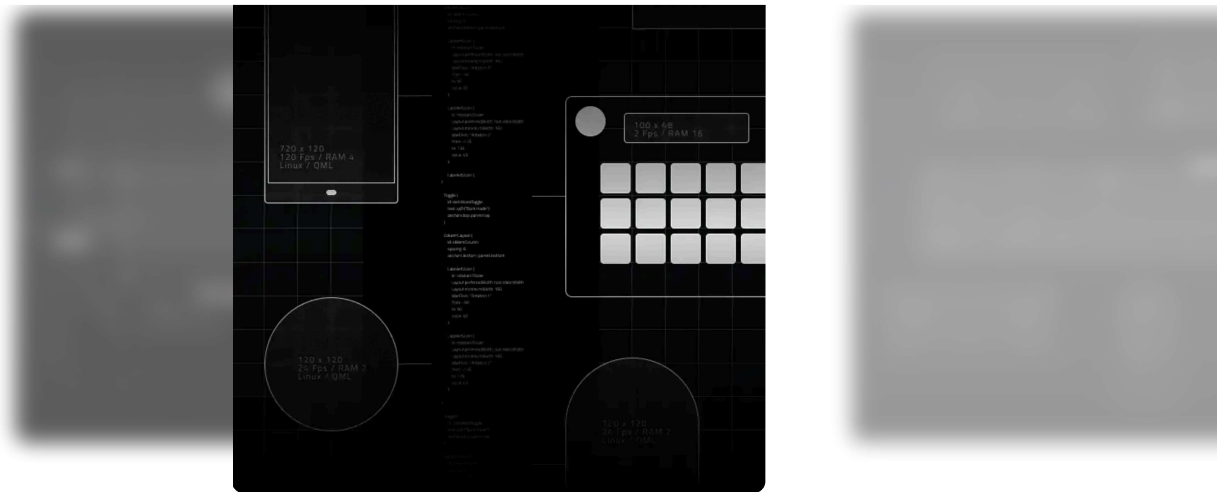

OVER 70 INDUSTRIES

MILLIONS OF USERS

From Design to Deployment

Built for the creators of software people can't live without. From the first sketch to the final test, we're your trusted partner in innovation. Offering a promise of quality, performance, and scalability, wherever you begin.

☐ DESIGN ☐ VALIDATE ☒ **DEVELOP** ☐ SECURE [Show All](#)

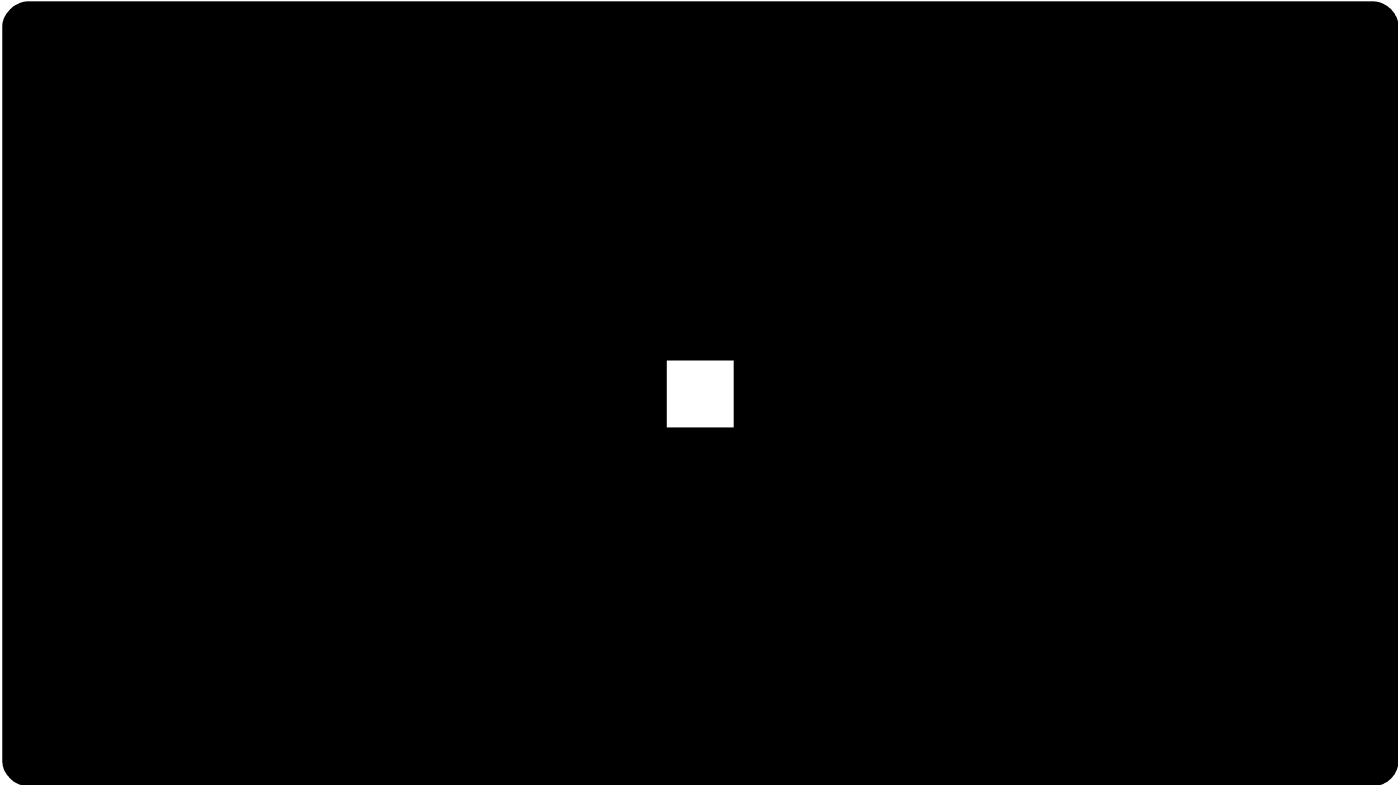

Built for Speed, Trusted for Scale

Improve productivity, simplify development, and enable faster time-to-market for your applications and embedded device creation.
